Message from President Theresa Dunkin

Dear Fellow Optimists Club Members,

My apologies for the Newsletter being late. Barb tried to keep me on track!

It is hard to believe that my year as your Optimist Club President is drawing to a close. It has been an interesting year for all of us as we have navigated the times in which we live.

Linda Thiesen is the incoming President and she will need all of your support as she begins her year with the Covid safeguards continuing in place for our club. Meetings will continue to be on Zoom for a few months. Even though we don't meet in person right now, we continue to have great speakers. Please continue to log in for the meetings and show support for our club and the speakers.

We did not make the membership goal, but as with most of our year, we were not able to sustain some of our normal projects. But ever the Optimist, I know that next year will be a year to meet all of the challenges that we were not able to do this year!

We have GREAT members and we will shine in the 2020/2021 Year.

Yours in Optimism, Stay Healthy, Stay Safe!

Theresa
