Message from President Linda Thiesen

Dear NL Optimists,

It is difficult to believe that this is my final Newsletter message as president. Thank you (Theresa) for repeatedly “suggesting” I embrace the opportunity to do something out of my comfort zone. To anyone who is considering “volunteering” to be president in the future, let me share that it was painless and every fast. Had I known then, what I know now, I would not have hesitated. . .as much. I can be a slacker at times; just ask Barb!

Everyone was very supportive and helpful; and it gave me the opportunity to get to know many of you a little better. I look forward to more of that in the future. This experience has reminded me that you should never pass up opportunities to meet and get to know wonderful people!

The best is yet to come.

Optimistically yours,

Linda
